

@School Mobile App

Welcome to our new Parent APP!

You can now access important school information and your child's records all with your personal login.

Access to your child's:

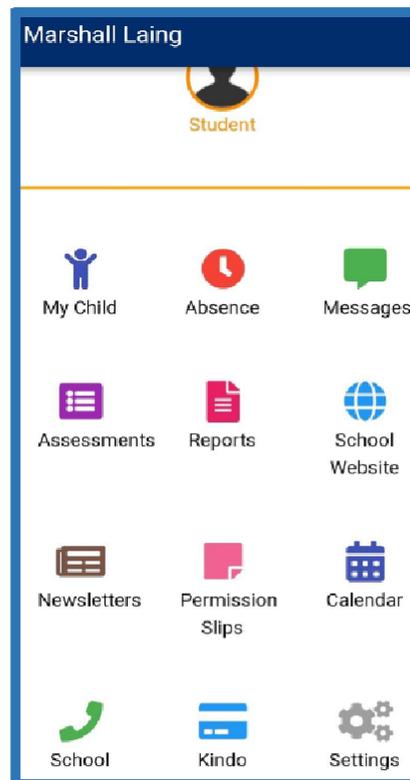

- ✓ Reports
- ✓ Assessments
- ✓ Permission Slips
- ✓ Report your child's absence

Access to the school's:

- ✓ Daysheet
- ✓ Newsletters
- ✓ Calendar Events
- ✓ Instant school messages
- ✓ Website and Kindo Online Shop

Free to download from the Apple App Store or Google Play. **Search ETAP.** Then click on the orange @school APP option. You will then be prompted to enter your ID and PASSWORD. You will only ever have to do this once.

Please download the **FREE** eTap @School App from Apple App Store or Google Play. The APP can be downloaded to your mobile phones, laptops, computers etc. You will need this App to access your child's school reports, attendance records, learning goals, give permissions for trips/shows, report absences, receive school alerts etc.

The school will email you a link to access the App with your child's records. **The link with the temporary password will expire in ONE MONTH.** Please login and set your own password before the link expires. This can be done by going into Settings and then Password. Please keep your User ID and Password memorised or written down. Each parent or caregiver has their **own unique login and password**, emailed to you using the email addresses you provided to the school. If you have more than one child you will receive another user name and log in. You only need to use one login to access siblings. You can swap children's records by just clicking on their picture on the APP.

If you have any questions regarding your login access, your child's details or learning information in the App, **please email your child's class teacher**. Please **do not** email the office.
